## TASK CARD

Name of Student \_\_\_\_\_ Class: \_\_\_\_\_

| Date | Activity/Service/Project | Location | No. of Hours | Numerical Grade | Signature of Supervisor |
|------|--------------------------|----------|--------------|-----------------|-------------------------|
|      |                          |          |              |                 |                         |
|      |                          |          |              |                 |                         |
|      |                          |          |              |                 |                         |
|      |                          |          |              |                 |                         |
|      |                          |          |              |                 |                         |
|      |                          |          |              |                 |                         |
|      |                          |          |              |                 |                         |
|      |                          |          |              |                 |                         |
|      |                          |          |              |                 |                         |
|      |                          |          |              |                 |                         |

TOTAL HOURS COMPLETED: \_\_\_\_\_

ORGANIZATION STAMP: \_\_\_\_\_

1. Please make a summative assessment of each task performed. Place a **numerical** grade (not a letter grade) from 1 to 10, in the appropriate box.
2. Minimum hours to serve = 1 hour - Maximum hours to serve = 3 hours
3. Key to Grade:  
A = 9 - 10 Excellent  
B = 6 - 8 Above expectation  
C = 3 - 5 Meet expectation  
D = 0 - 2 below expectation

**This page must be THOROUGHLY completed by the assigned supervisor.**
