Dear Sirs:

Re: Community Service for _____

Ardenne High School has introduced a Community Service Programme for Grades 9 - 13 students. The major objective of the Programme is to encourage students to participate in local, regional or international community activities which should assist them in becoming better and more productive citizens.

We are inviting you to partner with us in fulfilling this objective of producing citizens who exhibit a spirit of volunteerism and concern for others.

Students are required to identify an organization and volunteer their service where needed. At the end of their tenure, the organization's representative to whom they report are asked to do an evaluation of their task and conduct. Further, the student being accepted to your organization should present his or her school's Identification Card, Task Card and Qualitative Evaluation Forms.

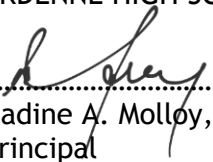

Students are expected to do a number of hours based on their grade level as indicated below:

- Grade 9 = 15 hours
- Grade 10 = 15 hours
- Grade 11 = 15 hours
- Grade 12 = 20 hours
- Grade 13 = 20 hours

Please sign, detach and return the Commitment Form below indicating your acceptance of the student to your organization.

We hope that we will be able to work together to build civic-minded leaders for the future of our nation.

Yours truly,
ARDENNE HIGH SCHOOL
